Reply to Office Action dated May 2, 2008*

REMARKS

In response to the Office Action dated May 2, 2008: Claim 2, deemed allowable, is canceled without prejudice to reentry and its subject matter is added to claim 1, whereby claim 1 should be allowable. Claim 1 is also amended formally for greater clarity, and the remaining claims are amended to comport with claim 1. As all other remaining claims depend from claim 1, the case should be in condition for allowance. New claim 13 is patentable by its dependence.

If, for any reason, it is felt that this application is not now in condition for allowance, the Examiner is requested to contact the undersigned attorney at the telephone number indicated below to discuss this case.

Respectfully submitted,
